Grain Regulation

Purpose and History

The Grain Warehouse Bureau performs administrative functions for the Grain Indemnity Fund Board and Grain Indemnity Fund. Prior to FY 2021, the Grain Warehouse Bureau used funds from the Grain Indemnity Fund to cover the costs of the administrative functions it performed for the Grain Indemnity Fund Board and Grain Indemnity Fund. In FY 2021, the Grain Regulation appropriation was created to cover the costs the Grain Warehouse Bureau incurs for providing administrative services to the Grain Indemnity Fund Board and Grain Indemnity Fund, so money would not have to be taken from the Grain Indemnity Fund.

Funding

Funding started in FY 2021 with an appropriation of \$350,000 from the General Fund. The yearly appropriation has remained constant at \$350,000 since then.
